☞ SIMCHAS BAIS HASHOEIVA

Wow! What an event: our 4th annual *Simchas Bais Hashoeiva*.

Entering the Yeshiva's dining room, participants were immediately engulfed in the contagious joy and excitement felt by all those present.

The *simcha* in the room was tangible as the boys danced with fathers, grandfathers, and their *chushuva Rebbeim*.

The lively music so artfully set up by our 1st grade Rebbe, Rabbi Myski definitely added much, giving the event that special touch.

All eyes were wide with excitement as Rabbi Rawicki pulled the grand winner of the 18 speed bicycle. And... Our lucky winner was Kivi Weltin of Rabbi Plotzkers 6th grade! Congratulations Kivi!

Special Thanks to YDN student Boruch Grossberger for adding much professionalism to the *simchas bais hashoeva* through his sculpting colored balloons into different forms and shapes for all to enjoy.

The *simcha* on our *talmidim's* faces could gladden the saddest of hearts.

May the *simcha* felt at the *Simchas*

Bais Hashoeiva be felt throughout the year, and may much joy always permeate the air of Yeshiva Darchei Noam.

☞ GIVING CHILDREN A VOICE

Rabbi Rabbi Sholom Binyomin Ginsberg, noted *mechanech*, author of many *chinuch* books such as Principal's Principles and more, writer for *Hamodia* and *Mishpacha* newspapers, honored us with a professional development course given at YDN.

Rebbeim and *Morahs* of Yeshiva Darchei Noam and Yeshiva Ohr Reuven joined together for one united cause: being *mechanach* our *talmidim* at the highest caliber possible.

Rabbi Ginsberg did an amazing job warming the hearts of the joint staff towards really listening to our *talmidim*, and hearing what they really want to say. The topic was heavily discussed with many questions raised and answered, a further testament to our *rebbeim* and *morahs* dedication to all students. All left with a renewed vigor and perspective ready to teach, reach and inspire the new *dor*...

☞ WE ARE RASHI BOYS!

Rabbi Billers' third grade *talmidim* were thrilled as they were *zoche* to utter the *heilige* words of *Rashi*, and were able to actually understand what *Rashi* says.

The class celebrated with a grand *nosh* party in honor of this special occasion. The entire class was full of gratitude to Hashem for bringing them to this great moment beginning to learn *Rashi*. They now truly deserve their title "third grade *Talmidim*"!

☞ PREPARING FOR SUKKOS BY APPRECIATING HASHEM'S CREATION

On Thursday right before *Succos*, the eighth grade went on a hike in Kakiat Park. It was beautiful to see our wonderful *talmidim* hiking together and assisting one

another as they trekked past beautiful views and vistas. The *סגן ראש הישיבה* Rabbi Brodie led the way as the *talmidim* got to

enjoy the great view from the fire tower, and then splashed their way through the waterfall and stream. Special Thank you to Rabbi Brodie for taking them, as well as to Rabbi Vilinsky and Rabbi Yakov Kahana for chaperoning.

☞ MORNING MINYAN MOVING ALONG
