AL PI DARKO' CONNECTING TO TORAH AND MITZVOS THROUGH PLEASANTNESS

The two leading מוסדות YDN and Clifton Cheder joined together to strengthen themselves in what they do best—understanding children.

"Rabbi Yona Lazar, Dean of Clifton Cheder of New Jersey, and beloved former principal of YDN, introduced Rabbi Segal from Bnei Brak and his amazing presentation. Rabbi Segal shared how to help the students connect to Torah and *mitzvos* when they are presented pleasantly.

Through using a multi-sensory approach, including auditory, visual, and kinesthetic, educators can reach all students. The joint staffs of YDN and the Clifton Cheder were shown the moving video presentation "*Al Pi Darko*" and as Rabbi Segal so accurately ex-

pressed, "The world says "a picture is worth a thousand words", and I say "this video presentation is worth more than a thousand lectures."

Rabbi Segal also expounded on the importance of effective communication skills while dealing with your students.

OUR ARON KODESH IS HERE!

While our *Talmidim* were enjoying their summer vacation, the hard work they put in last year was still paying off!

We are pleased to announce that our new *Aron Kodesh* was assembled and installed over the summer, and was already in use for the first day of Yeshiva!

Our sincere thanks to R' Yaakov Yoseph Unger and his staff at MBH Furniture in New Square, for helping design and create this masterpiece.

Our dedication plaques for the boys who collected the money to make this possible are on order and will be displayed after the *Yomim Tovim, Bezras Hashem*.

Many dedications are still available (including the *Aron* itself and the *Paroches*. You may choose to sponsor these in

honor, or *L'zecher Nishmas* someone today. Please call the Yeshiva at [845\) 352-7100 x 112](tel:845-352-7100) and let this *tzedakah* be a *zechus* for you and your loved one.

🌀 SHNAYIM MIKROH PROGRAM BEGINS ITS FIFTH YEAR!

As we see the sheets begin dropping in the box, the names going up on the bulletin board, and the *talmidim* once again enjoying their *nosh*, it's hard to believe that four years have passed since the YDN *Shnayim Mikroh* program began enhancing the *talmidim's* participation in the *parshas hashavua*. During that time, the *talmidim* have read hundreds of thousands of *pesukim*.; Each *talmid* has his own way of completing his share. Some do a few *pesukim* each day of the week, others read along during *laining*, and some do it with their families after the *Shabbos* meal. The one thing that they all have in common is that they join *klal yisroel* in reading the *parsha*, practicing their *kriah* and learning to make this *mitzva* a part of their lives. Of course, the weekly prizes and the grand raffles at the end of each *sefer* don't hurt either!

Thank you to the following *talmidim* for participating in the summer *Shnayim Mikroh* program

Gaby Altschuller * Yisroel Aschkenasy * Eliezer Dovid Baldinger * Shlomo Bessler * Eliyahu Bessler * Yossi Book * Chanoch Book * Yoni Feder * Mendy Frydman * Yisroel Mendel Gold * Nechemia Gold * Shlomo Zalman Gottlieb * Shalom Gavriel Gross * Avi Gruen * Yosef Meir Grynheim * Aron Hendler * Chaim Gavriel Herskovich * Gavriel Shalom Laster * Azriel Laster * Avi Mayerfeld * Daniel Peikes * Avromi Perkowski * Azriel Pollak * Daniel Robinson * Yehuda Baruch Saperstein * Moshe Zev Schachter * Efraim Schachter * Yisroel Schneeweiss * Avraham Yaakov Schuster * Yisrael Meir Schuster * Tzvi Schwab * Yitzchak Shipper * Elchanan Silverman * Yitzchok Spivak * Yosef Warum

If this program makes a positive difference for your son, consider sponsoring a week. For just one hundred dollars, you can have the *zechus* of thousands of *Pesukim* read by *tinokos shel bais rabon* and young *talmidim*. To take advantage of this opportunity, contact Rabbi Spivak at ajspivak@gmail.com.

🌀 VISUALIZED LEARNING.

Rabbi Lowy's 4th grade experienced hands on what they learned in משנה ב'. The amount of food a person would be חייב for eating is equal to a large date containing its pit, and the

amount of drink is a full cheek.

In this picture Shumi Frances had a chance to show the class a filled cheek, demonstrating to show when a person would be חייב

🌀 PRESCHOOL MORAHs GEAR UP

Our preschool staff was privileged to have a three hour workshop hosted by Rabbi Rietti in his materials center. His insightful perspective on *loshon ha-kodesh* and essential *chinuch* was meaningful and practical. Teachers were animated in their post workshop discussions on how to implement new techniques or sharpen some trusty old tools. Thank you to all the *Morahs* for devoting a large segment of their last hectic family Sunday.

Thank you!
Mrs. H.
