🌸 WE ARE MISHNAYOS BOYS!

Rabbi Biller's third grade *talmidim* were excited and delighted to finally be זוכה to learn משניות in a way that will ensure a full understanding and comprehension of the הלכות, its concepts and משנה.

The third grade had the honor of the שליטיא, ראש הישיבה, Rabbi Rudinsky, coming to the celebration where he spoke about what a great זכות the boys have to begin learning משניות! The ראש הישיבה spoke about how important learning משניות is and how when we learn משניות it's like Hashem is talking to us! Rabbi Rudinsky pointed out that the word משנה has the same letters as נשמה meaning that learning a משנה purifies our נשמה. The ראש הישיבה beautifully explained why משניות more than any other subject has this special benefit.

The ראש הישיבה also spoke about how חשוב it is to know משניות by heart. He encouraged all students to study the משניות

by heart and then come to his study room to get tested. Rabbi Rudinsky promised to give a half a dollar for each משנה committed to memory and ten dollars after every פרק! Wow!

During the speech, the boys sat with great ארץ and listened to every word, captivated and mesmerized, while very much involved in the discussion!

🌸 MAZAL TOV TO RABBI WIEDER'S 6TH GRADE!

This week was a week of completion and accomplishment in many of the 6th grade *limudim*. Their first *mazal tov* was on the completion of their first *blatt* of *gemara*. Together with an intensive test with spectacular results, Rabbi Wieder's 6th graders also took a comprehensive *farher* on the *gemara* with Rabbi Bamberger *shlit"a*, the *mashgiach* of Ohr Reuven. R' Bamberger could not stop praising the boys over how well they knew AND READ the entire *gemara*! In addition, nearly every *talmid* has become a "TESTER" of his fellow *talmidim* on reading the entire *gemara*.

🌸 KEEPING CLEAN WITH PROJECT NIKAYON

When the posters with the pointtotals for the week go up on the bulletin board, everyone crowds around to see how many points they have earned. With the possibility of accruing up to two hundred points weekly, our *talmidim* are keeping us proud with their high scores. Keep

on staying clean and counting points!

🌸 New Gemach 🌸

Our 2nd grade Rebbe, Rabbi and Mrs. Yosef Pruzansky are starting a new Baby Carriage *Gemach*. If you have a baby carriage in good condition to donate, please call 845.371.1002.

☞ THIRD GRADERS JOURNEYING TOGETHER

Rabbi Biller's third Grade began an excellent *middos* program called "Konei Olam"! This outstanding program uses fun and excitement to help students internalize fundamental *middos*!

קונוי עולם
KONEI OLAM
A World of First Class Middos

Throughout the year the students will travel the world with Yoni! They will join him on an exciting adventure where they'll experience the sights and sounds of eight fascinating countries together. Better yet, they'll explore eight valuable *middos* and how they can bring them into their own lives in meaningful ways. In every country, they'll be learning a different *middah*, and by the time they're through, they'll have a suitcase packed full with interesting souvenirs and precious *middos* that will make them true *ovdei Hashem*. The following are the eight *middos* focused on this year:

זריזות, אמת, חסד, סבלנות, נושא בעול, שמח בחלקו, כבוד הורים ומורים, הכרת הטוב

Each boy received his very own "passport" to all the countries. They will also receive a new loose-leaf to keep all the sheets and charts organized. Every month we will focus on a different *middah*.

GOOD LUCK, BOYS, ON YOUR JOURNEY!

☞ MONTHS OF EXTRA LEARNING PAY OFF!

The 6th through 8th grade משניות חבורה finished their first מסכת for this year. After almost two months of extra learning, the חבורה celebrated their סיום of מסכת בבא קמא. It was a festive celebration as the thirty or so participant received a mouth watering breakfast special. We look forward to hearing about further *siyumim* as the *chabura* continues to work towards their goal of completing *sefer nezikin*. To sponsor a future day, or סיום מסכת please email Rabbi Peikes at npeikes@darchinoam.org.

☞ SAFETY NOTICE

When picking up your son at dismissal time please come to the back of the building. Cars that stand in the bus area create a traffic hazard and a very dangerous situation. Students who run between buses to waiting cars are put in real danger. All car pick-ups at dismissal times are to be done only in the back of the building.

☞ KINDERGARTENERS FOLLOW IN THE PATH OF AV-RAHAM AVINU

In honor of *Parshas Vayeira* and learning about the *mitzvah* of *hachnosas orchim*, *Morah Faigy's* Kindergarten invited *Morah Ayelet's* Pre 1a to their classroom for a visit. Each boy helped to make a beautiful *beruchim habaim* sign to put on the door. They then popped popcorn as a special treat to serve their guests and they set the tables with beautiful napkins and bowls. When the Pre 1a boys arrived, the Kindergarteners made sure to serve their guests first. Then both classes made some loud *brachos* together and enjoyed their yummy snacks. The Pre 1a brought gifts for every Kindergartener to thank them for their lovely invitation. Both classes really enjoyed the special experience!

☞ LILMOD ULELAMED BY RABBI RAWICKI

On Tuesday, October 27th, Torah Umesorah hosted a professional development day for first grade *rebbeim*. They had the honor of hosting Rabbi Rawicki, who in addition to being YDN's *Limudei Kodesh* Principal has over twenty years of experience as a first grade *rebbe*. Rabbi Rawicki expounded on the topic "Developing *chumash* Skills That Stick". Rabbi Rawicki explained how to teach young *chumash* beginners the skills that will enable them to become independent learners. It's a goal for life, and when accomplished the benefits are great! Rabbi Rawicki brought lots of hands on materials to demonstrate and teach to enable all first graders all over the globe to be able to learn and under-
