**Partnering with people like you to support the communities you cherish.**

**MIXED SOURCES**

New Jersey: Commerce Energy offers product in the PSE&G and JCLP service territories. Pennsylvania: Commerce Energy has no affiliation with any public utility, the government or any consumer group. You will continue to receive bills only from your utility and will continue to be charged for natural gas/electric distribution in addition to our charges for commodity supply. You should look to your written contract for the rate that you will be charged as well as the duration of your contract and any applicable early termination fees. You may cancel your agreement with Commerce Energy by contacting the company. Commerce Energy offers an extended cancellation period of 30 days without penalty. Georgia: JustGreen energy products are not available in conjunction with the standard product offerings. Maryland: Supplier License Numbers: IR-639 and IR-737

**Take control of your energy costs while supporting your organization at the same time.**
